A PRAYER FOR MUSLIMS

Another election wrapped up, another terrorist plot averted. While I'm not suggesting this week's two biggest headlines have any connection, have you ever wondered how proactive God is in the life of our civilization? He probably doesn't keep an electoral scorecard of favorite politicians, and he certainly isn't the author of evil conspiracies. Nevertheless, could it be that he is personally, actively very much engaged in what goes on around this planet? Let me explain.

I find particular comfort in a dusty line from the ancient prophet Daniel: **"[God] changes the times and the seasons; He removes kings and raises up kings" (Daniel 2:21, 22).** The *New Living Translation* renders that line, **"He determines the course**

PRAYER ROOM POWER

Have you experienced the power of united prayer? Corporate prayer is the hot, new thing to do here on campus as the weather chills. Winter may not quite be here yet but if your prayer life is currently on ice, we invite you to come and experience the fire of united group prayer.

PMC Prayer Ministries is launching two new Prayer Rooms on the campus of Andrews University. We invite you to become a regular at one of our daily 45 minute guided prayer sessions that meets **Monday through Friday** at the following times and locations.

12:30-1:20 PM // PMC Earliteen Loft

1:30 - 2:20 PM // James White Library

"All three of our children never tasted ice cream until their first birthday. Oh, the struggles and tears to get them to even taste it. But once the spoon touched their lips—we had their full attention. This is a description of what is available in the Prayer Room. Until you have tasted, you will not know what you are missing. 1 Corinthians 2:9"

MASTER PLAN OF EVANGELISM

AU OUTREACH \ AROUND THE CAMPFIRE

The beautiful fall weather took a rainy turn for the worse and threatened to cancel plans for a Sabbath evening bonfire for the residents of Timber Ridge Manor, but Amy Hahn, leader of Homebound Ministry, was determined to make it happen. "Sabbath was GREAT! I was so scared that the rain would stop us. I thought that we would just be having it inside, and then it stopped raining! YEAH! We were able to have the campfire and it was lovely. We ate, sang songs, and told stories, and just talked and it was a good time to get to know people. I LOVED IT! Plus I got an idea for an activity for next semester!"

Homebound is part of Andrews University Office of Campus Ministries that visits the residents of Timber Ridge Manor on Sabbath afternoons during the school year. Homebound also helps connect students with residents during the week creating opportunities for interaction all week long. Recently a group of students showed up on Tuesday to help move several items for residents who needed help. Any time is a good time to lend a helping hand!

Amy Hahn, AU Student

PRAY

Pray that our Homebound Ministry will reflect the love of Jesus in our community.

CHRISTIAN EDUCATION

RMES \ ON THE SPOT ANSWERS

Ruth Murdoch Elementary School has teamed up with PMC Youth Pastor, Micheal Goetz, for weekly classroom worships. Pastor Goetz visits classrooms for a fun worship with songs, stories, and prayers. If they have a question about life, creation, God, or anything else, the pastor is right there and can answer it on the spot. If they have a question when he's not there, they can fill out an "Ask a Pastor" slip and the

pastor will answer the question on his next visit.

Pastor worship is a special time for the students, teachers, and even our pastors. It's an opportunity for our students and pastors to form a connection that they may miss out on otherwise. It's a chance for our students to form a relationship with their church as well. These can be valuable steps in forming and maintaining a true friendship with Jesus.

PRAY

That our young people will be filled with the desire to seek Jesus and the answers He will provide.

OPERATING EXPENSES

PRIMARY II \ STRENGTHENING A FOREVER FRIENDSHIP

Primary II Sabbath School instructs third-graders using the Gracelink Curriculum, which teaches Adventist doctrines and positive personal character traits through Scripture. This month we are studying the life of Paul and his impact on the lives of Philemon and Timothy.

Each week our thirty-five children learn the theme and application to life through music, stories, and drama thus strengthening a 'forever friendship' with Jesus. Then the children divide into five tables to study the lesson and memory verse with crafts. After the eight-year-olds are picked up

by their parents, teachers gather for prayer and discussion.

Primary II Sabbath School's second priority is providing leadership training. The Sabbath School has six adults who are training five teens. These young people are being blessed as they work with the children. In the future, these young people will use their experience and mentoring skills in children's ministry around the world.

We thank you for your prayers and support through offerings which provide materials and the weekly Primary Treasures for each child.

PRAY

Pray that our children will continue in a forever friendship with Jesus.

of world events.” Does that mean God works through the electoral processes of a democracy to put individuals into leadership/office who are sympathetic to his own agenda for humanity? He certainly did that with Nebuchadnezzar, the despot of Babylon who became a defender of the true God through the influence of Daniel. History has repeatedly shown that all it takes is one receptive leader, open to the intervening Spirit of God, to protect God’s “defenseless” community of faith and thus advance the divine agenda and mission on earth.

But averting terrorist plots? Consider Daniel’s further depiction of our proactive God: **“He reveals deep and secret things; He knows what is in the darkness, and light dwells with Him” (Daniel 2:22).** Do you realize what might have happened had the “underwear bomber” last Christmas and the two cargo plane package bombs discovered this week (both plots linked to the same Islamic terrorist organization) successfully detonated? With no immediate or obvious clue for the explosion(s), air travel as we know it would certainly have been instantly halted—impacting international commerce, exchange, finances, economics, politics in ways we cannot now fathom. And

we can only imagine the deleterious effects on the growth of God’s kingdom on earth.

But the evil that is plotted in darkness is seen and known to the God who is light. “He determines the course of world events.” Which is why I pray two prayers when I read of averted terror—#1, thanks be to God, who has once again prevented the closing of a global door to the advance of his everlasting gospel on earth; and #2, God be merciful to his 1.4 billion Muslim children and protect them from the raging backlash that would diminish their openness to the truth about his character.

A century ago Ellen White observed: “In the annals of human history the growth of nations, the rise and fall of empires, appear as dependent on the will and prowess of man. The shaping of events seems, to a great degree, to be determined by his power, ambition, or caprice. But in the word of God the curtain is drawn aside, and we behold, behind, above, and through all the play and counterplay of human interests and power and passions, the agencies of the all-merciful One, silently, patiently working out the counsels of His own will” (*Education* 173). Elections and terrorist plots included? But of course. Which is why he is God. And why we can be very grateful.

CALL TO WORSHIP

Let us rejoice in the gifts of God:

The gift of salvation for all creation,

The gift of discipleship for those who choose it,

The gift of new life in our hearts each day,

The gift of peace waiting to be claimed.

Let us rejoice in the gifts of God!

THE WORD

II TIMOTHY 3:16, 17; II PETER 1:19-21NKJV

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness,

that the man of God may be complete, thoroughly equipped for every good work.

And so we have the prophetic word confirmed, which you do well to heed as a light that shines in a dark place, until the day dawns and the morning star rises in your hearts;

knowing this first, that no prophecy of Scripture is of any private interpretation,

for prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit.

MUSIC ALIVE

SAFELY THROUGH

An island in the Irish Sea was the setting for most of the early life of composer Haydn Wood (1882-1959). We hear today, as Worship in Music, a section about this island from a musical tone poem by Wood. The melody is a traditional one, and is a hymn known as "The Manx Fisherman's Evening Hymn" or "The Harvest of the Sea". It is a fisherman's song giving thanks upon being safe-

ly returned to land from the sea's rigors at the fishing grounds. It reminds one of the hymn, "Safely through another week God has brought us on our way..." (hymn 384). Sabbath is indeed an island surrounded by the sea of ordinary time, a place set apart from the blustery swirl of the "sea". Shall we not today also give thanks, for being safely returned to the Sabbath?

SABBATH SCHOOL SPOTLIGHT

ELEMENTS LOCATION CHANGES

Elements is a year round discussion based Sabbath School class for young adults ages 18-35 who may be struggling with questions regarding the Christian walk. We seek to explore scriptural evidence and share personal experiences as we search for the truth. In our time together our goal is to come to a deeper understanding of Adventist Christian-

ity and how it pertains to our lives and the world around us. The class is for young adults and led by young adults in an effort to keep the discussions honest and relevant to our age group. We welcome both Andrews students and young adults from the community who would like to participate. Currently the class meets in the Marsh Hall Lobby at 10 o'clock.

SMALL GROUP RETREAT

BE INSPIRED, EQUIPPED AND MOTIVATED
AT OUR FIRST ANNUAL SMALL GROUP RETREAT

SABBATH, NOVEMBER 13 //
10 A.M. TO 4 P.M.
ANDREWS ACADEMY COMMONS

The guest speaker for the event is Bill McClendon, pastor of Tulsa Adventist Fellowship in Tulsa, Oklahoma. Bill McClendon became an Adventist in 1983 through a public evangelistic campaign in Tulsa, OK. Over the next seventeen years, he served the local church in numerous capacities while operating a computer software consulting company.

In 1999, he and his wife, Shirlene, were given the opportunity to plant a new church in the Oklahoma Conference. In 2000, Bill sold his consulting company and entered into full-time ministry as pastor of South Tulsa Adventist Fellowship.

With a membership now of over 800, Adventist Fellowship remains one of the fastest growing Adventist churches in North America. Their tremendous growth is attributed almost exclusively to an aggressive public evangelism strategy.

In addition to being one of the fastest growing churches, Adventist

Fellowship has been very successful in retaining and discipling new members through dynamic small groups.

Bill also serves as Ministerial Director and Vice President of the Oklahoma Conference.

Bill and his wife Shirlene, have a daughter Shari 22, a graduate student at Loma Linda University School of Pharmacy. For the past several years, he has led his church to be recognized as one of the fastest growing Adventist churches in North America. You will not want to miss this outstanding presentation.

**Please register for this event by phone or email by
Monday, November 8** (we have to order meals and materials)

HOUSE OF PRAYER

WEDNESDAY @ 7 PM, SANCTUARY

Wouldn't it be nice if the Bible came with pictures? The apostle John tells us in John 1:18 that no one has ever seen God. But He has revealed Himself in His Word, Jesus Christ, and in His revelation, the Bible, which is full of rich word pictures of God. A God who is working behind the scenes, so to speak, of our common existence. At HOP we are going to take a new look at glimpses of the Divine reality, snapshots that some people had the opportunity to see for themselves and record for our benefit. Co-curricular credit for university students.
