ARE THE PIIGS PROPHETIC?

"Trim the Fat, Roast the PIIGS," yelled one headline. "Is Europe Going to the PIIGS?" chided another. For those who aren't following the European Union's debt crisis, PIIGS is an acronym for Portugal, Ireland, Italy, Greece and Spain—five European nations on the brink of bankruptcy. In fact, some are estimating that Greece's bankruptcy is now 98% certain. And the drama this week has centered on Chancellor Merkel of Germany and French president Sarkozy's huddle with Greek prime minister Papandreou. Will the economic powerhouses of Europe be able to pull the rabbit out of the hat, or will Greece's financial collapse drag Europe into its swirling vortex? (To insure \$10 million of Greek debt now costs \$5.8 million! <http://seekingalpha.com/article/293251-eurozone-trim-the-fat-roast-the-piigs>)

Perhaps Nebuchadnezzar's ancient dream (Daniel 2) about a towering metallic image deserves another look.

United Prayer

Come and drop by PMC's open prayer meeting in the Rose Prayer Chapel at Buller Hall. A PMC Prayer Ministries team member will be present to pray with you on Mondays between 12:30-1:30 PM, and Thursdays 5:00-6:00 PM. Day of Prayer & Fasting

Join us in a day of prayer and fasting for Net 2011 on Friday, September 30. Lift up Ron Clouzet and all who are participating in this important outreach across North America. We are not asking anyone to abstain from food and drink that day unless you choose. Fasting does include some form of abstinence whether that be giving up dessert, junk food, Facebook, or computer games so that outside of regular work and school activities our PMC Church family can pray for God's blessings on the Net 2011 meetings.

"Satan leads many to believe that prayer to God is useless and but a form. He well knows how needful are meditation and prayer to keep Christ's followers aroused to resist his cunning and deception." *1 Testimonies*, 295. "The prayer of faith is the great strength of the Christian and will assuredly prevail against Satan." *1 Testimonies*, 296

HOUSE OF PRAYER

WEDNESDAY @ 7 PM, SANCTUARY

Jesus lived a life of prayer on this earth. Fused with the Holy Spirit of God, He was empowered for ministry, for worship, and for hard times. At House of Prayer we are studying the life of Jesus in the Gospel of Matthew. Together we will journey through the life of Christ to discover who Jesus really was and is today. Come join us to receive a fresh vision of Christ this year and join in on a collective conversation with God that will empower your prayer life!

MASTER PLAN OF EVANGELISM

YOUTH TENT / BUILDING RELATIONSHIPS

Did you get an opportunity to pitch a tent this summer? PMC and several of our Berrien area sister churches did. They put up two tents just across the street at the fairgrounds for a special week in August– the Health Tent and the Youth Tent. In case you didn't get an opportunity to stop by and see us this year, let's take a look inside the flap of our Youth tent.

It started with Pastor Micheal Goetz, Pastor Cesar Perozo (Village Youth) and two young people, Taryn Hanson and Emily Loucks. We sat down together to think through what would make the Youth Tent at the BCYF meaningful. The plan was to have a significant place where teens could interact with youth pastors and leaders and find out about Christian youth programming/events in the community. To accomplish this, one side of the tent was set up with a table offering information about events and tables and chairs with games and reading material. The other side was filled with interactive games, like foosball and ladder toss. Taryn described what she saw as "lots of kids over the week playing games

and having a really great time with their friends. Pastors played with them too, which I thought was a fun way to bond." In addition to the youth who stopped by to visit, several of them like Sarah Kang, volunteered throughout the week to help keep the tent organized.

The goal was to build relationships and the result of those relationships would be mentorship and trust between the youth and spiritual leaders. Who we know, we trust.

PRAY

That we get to know our youth and can introduce them to their best Friend

HEALTH TENT / A NEW EXPERIENCE

Fairgoers at the 2011 Berrien County Youth Fair (BCYF) had a surprise this year. Strolling past the Health Tent as they do every year, they were greeted by the same banner and signs as in years past. However, a closer look at the goings-on inside revealed new things. Exercise equipment, including an elliptical, exercise bike, dumbbells, and exercise mats and balls, adorned the interior. Those who stepped in the big yellow-and-white tent were welcomed to have their blood pressure taken, receive one-on-one exercise training, try out various exercise challenges to determine their fitness, ask a dietitian food-related questions, share a prayer

request, receive a free massage, and take home information about health-related programs at Pioneer Memorial Church. The Health Tent is one of the longest-standing exhibits at the BCYF, and this year's theme was EXERCISE. With the goal of promoting an active, healthy lifestyle, approximately 200 volunteers from local SDA churches happily provided exercise routines, demonstrated exercise techniques, and cheered on the visitors who completed exercise challenges. Large groups of young people routinely converged on the tent to participate in its activities, creating a fun and lively environment that attracted even more visitors!

Visitors (including children) completed a fitness report card after visiting the various stations in the tent. The Health Tent generated a lot of interest among community members, some of whom have already started participating in PMC's health activities. The Health Tent provided a happy, healthy witness to more than 3,000 people this year, and the interest it generated continues to feed PMC's ongoing health programs.

at the health tent

CHRISTIAN EDUCATION

RMES / "LESS OF ME, MORE OF JESUS"

Our school theme for 2011/2012 is "Less of Me, More of Jesus." Sounds easy – we can read the Bible, we can keep the Ten Commandments, and we will pray more. That covers the "More of Jesus" part. But what about the "Less of Me" part? That one can be a little tricky!

"Less of Me" could mean using our resources for the good of others. So maybe we could give our own money for Sabbath School offerings. What about even donating some old clothes to charity?

"Less of Me" means even more than that. It's about being unselfish with our things - sharing with others for the glory of God. It's about not wanting attention for the things we do, but instead wishing that others would see Him through our actions. It's about being patient with others. As the song says, it's about thinking "a little more of others, and a little less of me."

What an important character building year for our students! Keep us in your prayers!

PRAY

That we gently guide young hearts through this theme and towards Christ

OPERATING EXPENSES

PRIMARY 1 / JOYFUL CHILDREN

Walking past Primary 1 room on Sabbath morning, the sounds of children singing at the top of their lungs can be heard through the closed doors. This is a mix of joyful, wiggly, rambunctious second and third grade children, who at times are a handful, but give the teachers and leaders a heart full of joy at their lust for living and love of the Lord.

The youngsters enter Primary 1 at the start of second grade and continue two full years until they are promoted at the end of the third grade year. In that time, they have performed over a hundred skits, sung countless songs—many of the favorites are requested every week for those two years—and have done many crafts, from headresses to hearts. All this organized chaos is under the patient and watchful eye of leader, Barbara Krantz, and the dedicated cadre of teachers

and other volunteers, many who have been in Primary 1 for ten years or more.

This labor of love doesn't just fall into place on Sabbath mornings. No, many times it begins on Saturday nights following Sabbath School as plans are made for the next week. Lessons and skits are fleshed out and numerous emails and phone calls are made between leaders and staff, so when the children walk through the doors on Sabbath the room is ready, possibly redecorated for the season or the new quarter.

If you would like to witness the joy of these children first-hand or be a part of the team, pop in some Sabbath and see the unabashed overflowing of happiness. Talk with Barb Krantz or the co-leaders, Diane Ford and Darlene Barnhurst on how you can lend your talents and time to the mission field in the basement. You'll be welcomed and rewarded!

Are its iron and clay toes—the nations that grew out of the collapse of the Roman Empire—a prophetic warning that even an economic union like the European Union is doomed to fail? **“Just as you saw the iron mixed with baked clay, so the people will be a mixture and not remain united, any more than iron mixes with clay” (v 43, emphasis supplied).**

And how will the United States— itself teetering on the economic edge— weather this hemorrhaging crisis?

Thinkers the world over are warily endeavoring to decipher these unusual times. The gyrating global stock markets are simply empirical indicators of mounting apprehension and perplexity. Nobody knows. Emphasis on *nobody*. Thus the future of earth.

What a made-to-fit moment this is for the “Prophecies Decoded” series that begins on September 30—seen coast to coast on satellite, and “live” here at Andrews University. And wouldn’t you know it—the opening lecture comes straight out of Daniel 2’s provocative prophecy. My friend, Dr. Ron Couzet, is the presenter. And he is as trustworthy and credible a voice I know to speak to the urgency of these times.

That’s why I’d like to earnestly invite you to take advantage of this prophetic lecture series, by inviting friends, colleagues, neighbors you know who would benefit from a careful, biblical examination of the prophecies that speak to our age. We’ll be offering a big-screen live link to Nashville, Tennessee, where Ron Clouzet will be speaking— Friday evening, 7:20, September 30— that’s when it begins. Pick up a handful

of the color brochures at Pioneer to give your friends. Have them go online to www.propheciesdecoded.com and watch the series trailer for a themselves. Call them up and offer them a ride.

The point is—when you’re living in the toes of earth’s history—there is something greater than PIIGS to motivate your life. And that something is the Someone who is coming soon. So pass the word, will you? The PIIGS, Europe, the U.S., you and I—we’re all living on the edge. It’s time to believe. **“The great God has shown the king what will take place in the future. The dream is true and its interpretation is trustworthy” (Daniel 2:45).**

CALL TO WORSHIP

With what shall we come before the Lord our God to worship him?

What does the Lord require of us but to live justly, to love kindness, and to walk humbly with our God?

Let us bear one another's burdens and so fulfill the law of Christ.

As we have opportunity, let us do good to all especially to those who are of the household of faith.

Let us worship God.

THE WORD

JOHN 1:40-45, *NIV*

Andrew, Simon Peter's brother, was one of the two who heard what John had said and who had followed Jesus.

The first thing Andrew did was to find his brother Simon and tell him, "We have found the Messiah" (that is, the Christ).

The next day Jesus decided to leave for Galilee. Finding Philip, he said to him, "Follow me."

Philip, like Andrew and Peter, was from the town of Bethsaida. Philip found Nathanael and told him, "We have found the one Moses wrote about in the Law, and about whom the prophets also wrote—Jesus of Nazareth, the son of Joseph."

MUSIC ALIVE

CALLING AND CALLED

Today's worship journey mingles the motifs of God's call to discipleship and one's call to God. The introit is "Jesus Calls Us", associated with a moving text by Cecil Frances Alexander (hymn 285). Alexander had a strong vision to teach the young through her texts, which include "All Things Bright and Beautiful". In the postlude, the believer's call to God to come is expressed as in vibrant

fall hues of orange, red and yellow. In the first section the melody is on top, with energized motifs like tongues of the Spirit's fire lapping up from underneath. The last section features majestic, smoother motifs, perhaps more indicative of the Father and the Creator. Speculatively, Bach intentionally included his own last name, in musical letters in order, at the end of this stirring music.
