# WELCOME!

---

*Must be summer—the last of the graduations is now history! Now the sunny stretch of road through June, July and August begins. And while Pioneer says Godspeed to all the graduates of spring, our doors will be thrown wide to every summer Sabbath worshiper ahead. And that begins today. May the Spirit of the living Christ dwell in your heart this morning as with joy we gather before Him. Let us each become the temple He seeks—that our Forever Friend and Lord might daily take up residence within. (Romans 12:1) Join us after second service for a homecooked vegetarian meal in the Commons. Welcome!*

### THE GOD WHO INVESTS IN THE BANKRUPT

Just recently, what has been one of the highest IPOs in history has had a rather shaky beginning. But if you look back to just over a year ago, you would have never guessed it. At the start of 2011, powerhouse firm Goldman Sachs invested \$450 million into then privately owned Facebook, giving it a valuation of about \$50 million. Just 6 weeks later, General Atlantic, a \$17 billion investment firm, also took a relatively small piece of the pie, at a rate that would value the company at about \$65 billion. That translates into a 30% growth in under one financial quarter. WOW!

Now within a week of the historic IPO with a valuation of over \$100 billion, its also making new history by losing nearly 30% of its value. That leaves Mark Zuckerberg,

## PRAYER REQUESTS AND NEEDS

“I, the Lord, promise to send the prophet Elijah before that great and terrible day comes. He will lead children and parents to love each other more, so that when I come, I won't bring doom to the land.” Malachi 4:5 [CEV]

### **General—Pray:**

- That the members of Pioneer Memorial Church may represent Christ and His character in our community, to believers and non-believers alike.
- For our family relationships, that we may make the first steps in reconciliation where needed, so that our families may be healed.

### **TV and Audio Ministry—Pray:**

- That the Holy Spirit will impress the minds and hearts of those watching the TV broadcast on Sundays, as well as the live streaming on Sabbath.
- That those downloading video and audio resources will come to learn about God and share what they have found.
- That we also may share information about the video and audio resources with our friends and neighbors, no matter where they live in the world.

### **Juniors 1—Pray:**

- That God will bless the young people that will be transitioning into and out of Juniors 1.

- That our students will come to experience God and learn to trust Him.

- That additional teachers and helpers will willingly offer their service in teaching the youth about God and His faithfulness. [NOTE: This seems to be a recurring request from many of the Sabbath School departments. If you have ever taught young people in the past, please ask God if you can be used by Him in reaching and touching the future!]

### **Men's Dorms**

- That the new and returning students may seek and find God; that they may become spiritual leaders and an example and testimony of what God can do.

“Summing it all up, friends, I'd say you'll do best by filling your minds and meditating on things true, noble, reputable, authentic, compelling, gracious—the best, not the worst; the beautiful, not the ugly; things to praise, not things to curse. Put into practice what you learned from me, what you heard and saw and realized. Do that, and God, who makes everything work together, will work you into his most excellent harmonies.” Philippians 4:8,9 [*The Message*]

## \$60,000 / HELP US REACH OUR GOAL

Access to Christian education is very important to many of you. This is why you support the Student Aid fund. Perhaps you are a product of Christian education or you know someone who is and you have a positive attitude toward the results. In this world which is growing ever more secular and where the advocates of a humanistic attitude are growing louder, it is important to have our young people in Christian schools. That way they can learn alternative views to what they hear constantly in the media and what they will hear in many places of higher learning. There will be a lifetime of opportunities to hear the prevailing world view, but only a precious few years for a God-centered education to be shared with our young people in their formative years.

June 30 marks the end of our fund raising year for the PMC Student Aid fund. Many of you have been very generous in the past 11 months. Thank you. Please do not let our students down now. Help us meet our \$60,000 goal by the end of June. Thank you.

Here is an expression of appreciation addressed to you.

I would like to say thank you very much Pioneer Memorial Church for giving our daughter another chance to pursue her education in an Adventist school through your assistance in providing student aid. We cherish the philosophy of Adventist education. This is the reason we want to continue to keep our daughter at Andrews Academy. We hope that by attending Christian schools she will become a better person in God's service for humanity. It is true that without your help there is no way we could afford to send her to the Academy. We really appreciate your kindness and we believe your effort is not in vain.

Thanks again for your generosity and may God continue to bless you abundantly. – *A Parent*

I can't believe it! This is my fifth year at RMES and it has been possible because of your generosity. THANK YOU DONORS! God bless you.

– *A Student*

# MASTER PLAN OF EVANGELISM

## BH SOUP KITCHEN / SERVING THE HUNGRY

Ours is an increasingly passive society, where any kind of activity, whether work or play, can be transformed into a spectator sport.

This is even true of cooking, or rather “food preparation.” Once considered typical of daily drudgery, it’s become the stuff of near-gladiatorial competition. We watch on television as would be master chefs and aspiring restaurateurs compete against circumstance and each other to put food on the table. On our side of the screen we can neither taste nor smell the various concoctions, and given the “exotic” nature of some of the ingredients, it may be just as well.

For others, however, the contest of putting a meal on the table is far more basic. For them, the biggest obstacle to overcome is being able to afford even the basic ingredients, never mind the unusual. This isn’t a condition set in order to make a game more interesting and appealing. It is, rather, a chronic condition of a state of poverty too many of us choose to ignore. We

simply change the channel.

The Benton Harbor Soup Kitchen, serving an economically depressed community close by this university and its church, is one of the ministries of Pioneer Memorial Church. Its mandate is a simple one, taken from the teaching of Jesus: to serve the hungry by feeding them is to serve our Lord. This may not have the glamour of competition cookery, but in the eyes of Heaven, everybody wins.

## RMES / EXPLORING GOD'S SECOND BOOK

George Washington Carver is quoted as saying, "Reading about nature is fine, but if a person walks in the woods and listens carefully, he can learn more than what is in books, for they speak with the voice of God."

RMES students in 5th and 6th grades participated in "Outdoor Education" at Andrews University. This was an opportunity for students, teachers, support staff, and parents to learn about our earth and each other. Though the canoe trip was cancelled due to frigid water temperatures, everyone still had a good time while learning about worms, butterflies, fossils, flowers, leaves, and poisonous plants in the

Andrews University arboretum, and building an outdoor shelter. This was a chance to really work as a team, get dirty while checking out the bugs under a log or hiking up a dirt path. It was an opportunity to get personal with God. Our students and teachers camped under the stars and sang songs. What an exciting, exhausting experience it was for everyone!

Events like this are what make RMES special. Not only are our students learning English and math, but they are surrounded by great friends, with teachers who truly care, and creating memories that are infused with the love of Christ. - Wendy Keough

co-founder and largest owner of Facebook, off the Bloomberg's index of the top 40 richest people in the world within two weeks of making it there in the first place. So what's the problem? One would think that a company with nearly 1 billion users, that's integrated into millions of apps, and serves nearly 1 trillion web pages per month, solves crimes, re-unites disconnected family, and is central to the everyday lingo of all media, would make lots of money. But it doesn't yet earn enough money to justify its current value.

All through out the Bible people have placed value on different things without really accounting for the costs. Adam and Eve thought that a knowledge of good and evil was more valuable than obedience to God. Joseph's brothers thought getting rid of their brother was more valuable than their father's happiness. Israel thought it was more valuable to have a king lead them than the King of Kings. David cherished a fleeting moment with a beautiful woman more than having moral authority in his family. The rich man treasured his money coffer more than helping the poor. Ananias didn't value his word enough to give it all to mission. And this list could go on. Story after story, people giving more value to the wrong things without accounting for the bigger picture of eternity.

On the other hand, story after story, God pours more and more of

His greatest asset, His love, into an increasingly, unfaithful race. When we are weak, He offers us strength. When we are in darkness, He offers light, When we are unfaithful, He offers us forgiveness. When our souls are weary, He offers to restore us. When we "won't" and "can't" and "don't", He WILL and CAN and DOES.

All along God has been faithful to invest in what is most valuable to Him. You and me. And not because we have earned our worth either. In Romans 5:8 it states, "But God demonstrates his own love for us in this: While we were still sinners, Christ died for us." In other words, while we were still morally bankrupt and drawing well into the negative, His red came over us.

## CALL TO WORSHIP

---

Jesus said, "A new commandment I give to you, that you love one another."

**"Even as I have loved you, you also ought to love one another."**

By this will all people know that we are his disciples: if we have love for one another. Let us seek God in our neighbor and glory in his love for us and praise his holy name.

## THE WORD

ROMANS 15:5-7 NIV

---

May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ.

**Accept one another, then, just as Christ accepted you, in order to bring praise to God.**

### LOVE CELEBRATED

God's love for humankind is a theme appearing frequently in hymns by Charles Wesley (1707-1788), perhaps nowhere more powerfully than in "Love Divine, All Loves Excelling." The imagery of this vivid hymn seems transcendent, yet somehow personal. It is a poetic celebration of God's seeking in love the redemption of fallen humanity. One commentary states that "Wesley had a gift for writing poetry; he

wrote verse continually, his letters often being in rhyme. . . ." He was a most prolific hymn writer, credited with more than 6,500 hymns. Wesley approached hymn subjects from a standpoint that transcended objectivity to embrace personal feeling. His hymns "appealed to the spiritually starved people who, under the preaching of the Wesley brothers [John and Charles], found renewed life, hope, and faith in the Scriptures."

### **YOUR HELP NEEDED!**

As our college students leave our campus bare for the summer, this includes several of our younger Children's Sabbath Schools. As summer progresses and our families choose to go on vacation, they leave vacancies also. Between these two factors there are Sabbaths where help is desperately needed. Leaders, small group teachers, pianists or just an extra hand to help out are all helpful and or needed. If you are willing to help out for as long as you can, please contact Glenda Davidson at [bg1@pmchurch.org](mailto:bg1@pmchurch.org) or 269.471.4170 letting her know in what capacity you are willing to help.

### **FLAG CAMP - SUMMER 2012**

The summer is fast approaching which means FLAG Camp is right around the corner. Children between the ages of 5-13 can have Fun Learning About God (FLAG) starting Monday, June 4 thru Friday, August 3. The camp is held at the Pathfinder Building at Andrews University and runs daily from 8:30 AM – 4 PM with Pre-care starting at 7:30 AM and After-care going until 5:30 PM. You can either fill out an application now or wait until your child attends since there is registration every day at the camp. The application and camper handbook can be found at [www.pmchurch.org](http://www.pmchurch.org).

### **THANK YOU**

Every prayer, every card, every phone call, food dish, flower and gift of love during the time of Winston's illness and passing has warmed and comforted our hearts. We have been surrounded by church family and friends and felt cloaked in God's love and care as a result. Our confidence in the resurrection and soon coming of our Lord gives us trust in that reality. Thank you all!

Thank you so much for the beautiful geraniums that brightened my days during my recent hospital stay. They continue to give enjoyment as they continue to bloom outside my window.

## HOUSE OF PRAYER

---

WEDNESDAY @ 7 PM, YOUTH CHAPEL

Come to House of Prayer this week as we continue our journey through the personal testimonies of our Board of Elders. We were blessed last summer to hear the testimonies of numerous member of the Board and we've decided to continue that this year with new faces and new stories each Wednesday evening. This week, listen and be inspired as Tevni Grajalas shares his most memorable answer to prayer. Join with him in our youth chapel this Wednesday evening at 7. Come be blessed.
