WELCOME TO BABEL

BY DWIGHT K. NELSON

By the way, that's not "babble"—it's "Babel," as in the Tower of Babel. Because the accumulating headlines of late, while they may sound like so much babble and background noise, mirror the fatal confusion of that ill-fated attempt long ago to outmaneuver God.

"Now the whole earth had one language and a common speech" (Genesis 11:1). So what's new—the lingua franca of this generation is English, and the modus operandi of communication is social media—one language, one common speech.

But the brewing trouble exploded into the open when that ancient band of humanity united to "build ourselves a city . . . so that we may make a name for ourselves" (Genesis 11:3-4).

It's that "making a name for ourselves" business that has ever been the Achilles heel of sophisticated thinking. Rome and its prelates and pontiffs, America and its politicians and presidents—the engine driving the machinations of both powers is still the luciferian temptation to "make a name for ourselves." Gullible, fallible humans that we are, we trip and fall constantly for that deadly baited hook, do we not?

No wonder we are witnesses to unprecedented levels of hubris and one-upmanship played out in the arena of "one language and a common speech." When has this generation ever witnessed a papal nuncio publicly (on the screens of a billion smartphones) call for the

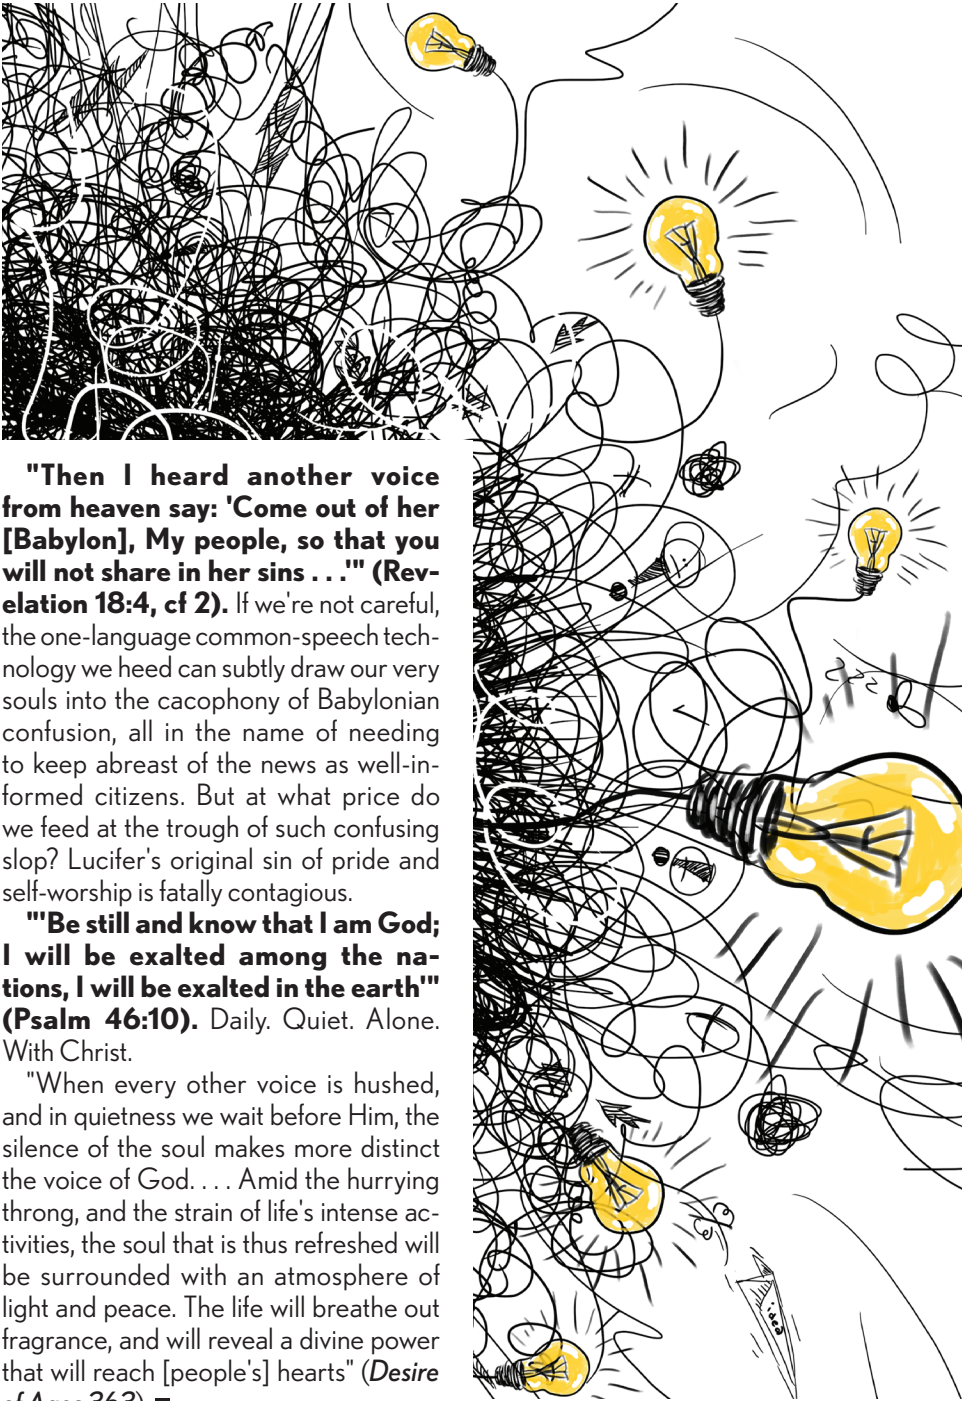

resignation of the supreme pontiff! And when have we been such gawkers to an unfolding saga of bitter, chaotic, partisan acrimony 24/7 in our news feeds!

Babel. Meaning "confusion." As in "[And God said,] 'Come, let us go down and confuse their language so they will not understand each other'" (Genesis 11:7). Does anybody understand anybody anymore?

"As messages [at the Tower of Babel] were thus passing from one to another the language was confounded, so that material was called for which was not needed, and the directions delivered were often the reverse of those that had been given. Confusion and dismay followed. All work came to a standstill. There could be no further harmony or co-operation. The builders were wholly unable to account for the strange misunderstandings among them, and in their rage and disappointment, they reproached one another [sound familiar?]. Their confederacy ended in strife and bloodshed" (*Patriarchs and Prophets* 119).

Confusion. Babel. Babble. **"For where envy and self-seeking exist, confusion and every evil thing are there" James 3:16).**

That's what concerns me about the unraveling headlines from Rome and this nation—that behind the confusion and chaos "every evil thing" hides. Simply put—behind all of this babble is in fact Babel (or Babylon) coiled and ready to strike.

"Then I heard another voice from heaven say: 'Come out of her [Babylon], My people, so that you will not share in her sins . . .'" (Revelation 18:4, cf 2). If we're not careful, the one-language common-speech technology we heed can subtly draw our very souls into the cacophony of Babylonian confusion, all in the name of needing to keep abreast of the news as well-informed citizens. But at what price do we feed at the trough of such confusing slop? Lucifer's original sin of pride and self-worship is fatally contagious.

"Be still and know that I am God; I will be exalted among the nations, I will be exalted in the earth" (Psalm 46:10). Daily. Quiet. Alone. With Christ.

"When every other voice is hushed, and in quietness we wait before Him, the silence of the soul makes more distinct the voice of God. . . . Amid the hurrying throng, and the strain of life's intense activities, the soul that is thus refreshed will be surrounded with an atmosphere of light and peace. The life will breathe out fragrance, and will reveal a divine power that will reach [people's] hearts" (*Desire of Ages 363*). ■

God's Abundant Pantry (GAP) is very grateful for your generous support of this ministry. Your donations allow us to purchase needed staple food products that directly benefit over 400 Andrews University international and graduate students and their families. We want you to know your thoughtfulness is truly making a difference in these students' lives.

Being one of the volunteers at GAP has changed my perspective on life. I always knew that God wanted to use me but I didn't know in what way. Serving at GAP weekly has helped me see life on the positive side. Interacting with people and helping others has been a blessing to me.

Hearing people's testimonies on how GAP has helped them is an incentive for me to get out of the house and volunteer. One day a student said to me,

I STRUGGLE TO FIND ENOUGH MONEY TO PAY FOR SCHOOL AND FOOD FOR MY FAMILY. GAP CAME AS A BLESSING IN OUR LIVES.

"I struggle to find enough money to pay for school and food for my family. GAP came as a blessing in our lives." Just hearing how people struggle to get food made me realize that all our efforts are satisfying a real ongoing need.

Although I have been volunteering at GAP for only a short period of time, I have found it and the people I work with to be amazing. This is a group of very talented, dedicated and friendly people. I am very grateful for the opportunity GAP has given me to discover my hidden skills and to gain life experience. I am happy to work in a team that despite the challenges still manages to preserve a hands-on practical mentality.

As the Bible says in Hebrew 13:16, "Do not forget to do good and to share with others, for with such sacrifices God is pleased." Giving is a God-given act of love. I encourage you to give to others through GAP. ■

Yes, I am the vine; you are the branches. Those who remain in me, and I in them, will produce much fruit. For apart from me you can do nothing.

But if you remain in me and my words remain in you, you may ask for anything you want, and it will be granted!"

MUSIC ALIVE

"CHILD OF THE LIGHT"

The author of the text of "I Want to Walk as a Child of the Light" is Kathleen Thomerson (b. 1934). Thomerson also composed the hymn melody HOUSTON, which is used in today's opening organ music. She was born in Tennessee, but was a music student in Texas, New York, and Flanders (Belgium). In her text and her hymn melody, Thomerson achieved a noteworthy degree of simplicity and

elegant profundity. One commentary says, "The simplicity of the music and text does not imply a simplistic faith. 'I want to walk as a child' reminds us . . . that we need to become as a child to fully understand the realm of God (Matthew 18:2-4)." Listeners may note, in sung text, a close relationship to elements of Revelation 21 and 22. ■

We Mourn

We grieve today along with Randy (Mary Ann) and Byron Graves on the death of their father/grandfather, William (Bill) Graves, who passed away on August 13, following a surgical procedure in Orlando, Florida. His funeral was on Sunday, August 19, in Deltona, Florida, at the Deltona Memorial Gardens. With the Graves family we long for Jesus' triumphant return. "Even so, come Lord Jesus."

Thank You!

The von Dorpowski family would like to thank everyone for all of the prayers, food, cards and support that we received during Michael's recent hospitalization. God is good and Michael is continuing to recover. We are blessed to live in a community of prayer warriors. Prayer and Bible promises were all that kept us going during this difficult time. We were able to share information about healthy living in a quick, fun way thanks to 101 friendly volunteers from the Adventist churches in southwestern Michigan. We are so grateful for your witness in this important annual ministry event. –PMC Health Ministry Team
