New Student Picnic

New students arrive on campus tomorrow. Let's welcome them with our traditional delicious picnic on Sabbath, August 24, following second service. We need 65 hosts to bring a lasagna/pasta dish, salad, and garlic bread to serve 10 people (including your family) at a picnic table that will be waiting for you. Drink and cookies will be provided. If you are not able to attend the picnic but would like to contribute food, please indicate that when you respond. We will follow up with you about what food you will supply and where to bring it. RSVP by August 19 on pmchurch.org/forms/newstudentpicnic. Call Claudia at 269.471.3134 with questions.

Mark Your Calendar— Sunday A.M. Work Bee!

There are two huge needs on Pioneer's to-do list. The first is outside—we need to weed around the church, plain and simple. You can't renovate weeds—just pull 'em! The second need is inside—our PMC bathrooms. With all the summer trappings, they need some elbow grease to make them sparkle again. So please join us Sunday morning, 9:00, August 25? Please bring the appropriate tools/implements you have to match your chosen area of work beeing (outside or inside). Bless you for your unselfish volunteering.

Bring A Friend to Church Day—August 31

As we invite our friends and neighbors to our newly renovated church on Sabbath, August 31, be sure to pick up your invitation cards today from our welcome center. With just two weeks to go lets make friendly intentional invitations. You can also share this digital invite: pmchurch.org/info on your social media.

RENOVATE UPDATE

This will be our final Sabbath in the Howard Performing Arts Center. Next week we will resume our worship gatherings in the Pioneer Memorial Church. When we get back you can expect there will be several weeks to "tune the building". This includes finishing up construction, the roof over the wings, installing the audio system, and refining new updates.
