### WHAT'S ON YOUR LIST?

**T**oo early to be thinking about Christmas? Not if you were hoping to purchase the fastest and most expensive Porche ever built—the 911 GT2 RS. It just sold out less than two months after debuting. Price tag? \$329,000. Merry Christmas and a big red bow tied on to the 131 Americans who bought it.

Never mind the recession. Reports show that luxury items are once again ringing the cash registers in the U.S. “Consumers are buying more luxury items but spending remains tight for everyday essentials such as food and dental care, a USA TODAY analysis finds, suggesting a growing divide between haves and have-nots. Purchases of TVs, jewelry, recreational vehicles and pet supplies are growing robustly, government data show. At the same time, spending on medical care, day care

## PRAYER ROOM POWER

Have you experienced the power of united prayer? Corporate prayer is the hot, new thing to do here on campus as the weather chills. Winter may not quite be here yet but if your prayer life is currently on ice, we invite you to come and experience the fire of united group prayer.

PMC Prayer Ministries is launching two new Prayer Rooms on the campus of Andrews University. We invite you to become a regular at one of our daily 45 minute guided prayer sessions that meets **Monday through Friday** at the following times and locations.

**12:30-1:20 PM** // PMC Earliteen Loft

**1:30 - 2:20 PM** // James White Library  
Conference Room

**Bill Penick** testified about the Prayer Room this week:

*"The prayer room has been a great blessing in my life. Every day I look forward to meeting with God's people and uniting with them in prayer. Even though I am only here for 10 weeks on a Sabbatical, my heart is knit in the fellowship of Christ with seekers of God's grace through prayer. There I sense God's presence, love, forgiveness and peace."*

## YOUTH MINISTRY \ A CHRIST CENTERED LIFE

**O**ur Youth Ministry leaders are not comfortable with the acceptable. "We won't give up, shut up, let up, until we have stayed up, stored up, prayed up, paid up, preached up for the cause of Christ."\* And it is for His cause that we have goals.

For our own youth/and younger we have scheduled four sets of baptismal classes during the week – inviting all to be intentional about giving their lives for the cause of Jesus. We also want to help others make that decision for Jesus. So we are preparing teams of youth (**S**erving **O**ther **Y**outh) to go to area churches and inspire and invite youth to give their lives to Jesus. Our plan also includes training young people to present our Biblical message and to hold evangelistic meetings both in a foreign country and then again right here in Berrien County. The core

values for our youth are: to know and use our Bibles, to meet Jesus, to ask/answer relevant questions and to be missionaries for the gospel.

We have undergrads, adults, seminarians and youth on our team. We need more worship leaders, Bible study leaders and technical. If God is nudging you in our direction, please contact Pastor Micheal Goetz.

## AA \ SERVING THE COMMUNITY

Part of Andrews Academy's educational program involves community service. We feel that it is important for students to learn to serve others right where they live and to teach this in a practical way. We do this throughout the year with many small projects and also devote an entire day practicing this concept. This year our special community service day was scheduled for September 23.

On that morning, groups of young people went in various directions in and around Berrien Springs,

helping at the animal shelter, the courthouse, the fairgrounds and other local places. One group chose to spend the entire afternoon at a retired couple's home giving them a hand with the yard work, cutting their firewood for the winter, and cleaning windows. This couple served people for many years as missionaries and it was a wonderful opportunity to serve them. The couple was grateful for the enthusiastic help. "The students worked so well we had a hard time keeping up with projects for them to do."

God blessed us with a beautiful fall day and a wonderful spirit. Our little bit of effort went a long way in demonstrating the philosophy of Andrews Academy and the diligence, maturity and selflessness of its students.

### PRAY

That our young people will find it natural to serve others in the spirit of Jesus

## PRIMARY SS \ BE PART OF THE JOY!

No matter what one's week has been like, it is always a delight on Sabbath morning to step into

Primary One. Every week, leader Barb Krantz and dedicated staff have upwards of fifty wiggly and excited children who love to sing, take parts in skits and gather in classes for Bible Study and a craft related to that week's lesson.

With simple faith, unburdened by troubles or doubts they make prayer requests with confidence that Jesus hears and is in control.

And the singing! Oh my, if the room wasn't deadened by a drop ceiling, those young voices, singing unabashedly with gusto, could probably be heard in the sanctuary upstairs.

But why take our word for it? Come and see for yourself! Everyone from pastoral staff to family members should visit to see the action and fervor of these young children. Pop in to find out what energizes our children an

hour every Sabbath morning. Come meet their teachers and leaders and lend support.

What kind of support is needed? Anyone with desire to work with young children can make a difference if even for one Sabbath a month. Be part of the action, be part of the joy!

### PRAY

Pray that we can become like joyful little children with simple faith

## N2N \ INTERNATIONAL STUDENT BLESSING

**R**anked by the US News and World Report as one of the most culturally and internationally diverse universities in the country, Andrew University advertises as a campus that invites students from around the world. Consequently about 100 countries are represented each year in our student family and that number keeps growing. Limited by the many restrictions of international travel, these students can bring only the bare necessities. Airlines now charge extra for suitcases weighing more than 50 pounds. Also many of the students come from tropical climates and have never experienced a Berrien Springs winter. What a challenge!

Neighbor To Neighbor seeks to help these students adjust and succeed in their new environ-

ment. Every year we purchase brand new sets of sheets, pillows, blankets, towels, and washcloths to give to each person or family in our ISB Program. Additionally we provide coats, winter clothing, tableware and silverware. This year, in spite of having our building shut down because of fire damage, we gave out these essential items in the Commons at Pioneer Memorial Church. Praise God that we can give this welcoming hug to our international families.

### PRAY

Pray that all will go well with the reconstruction of our building so we can serve our community soon

## CALL TO WORSHIP

---

I waited patiently for the Lord; he inclined to me and heard my cry.

**Blessed is the person who makes the Lord his trust, who does not turn to the proud or to those who go astray after false gods!**

Do not, O Lord, withhold your mercy from us, let your steadfast love and your faithfulness be ever with us!

**May all who seek you rejoice and be glad in you; may those who love your salvation say continually, "Great is the Lord."**

## THE WORD

LUKE 6:43-45 NKJV

---

"For a good tree does not bear bad fruit, nor does a bad tree bear good fruit.

**For every tree is known by its own fruit. For men do not gather figs from thorns, nor do they gather grapes from a bramble bush.**

A good man out of the good treasure of his heart brings forth good; and an evil man out of the evil treasure of his heart brings forth evil.

**For out of the abundance of the heart his mouth speaks."**

## MUSIC ALIVE

---

Can you imagine being there in the beginning? No, not "In the beginning..." of Genesis...rather, in the beginning of the "Seventh-day Adventist Church". Church pioneers adopted this insightful name 150 years ago, in October 1860, the year in which Ellen White turned 33. Two years earlier, in 1858, John Rogers Thomas completed the melody of today's Worship in Music. "How Sweet Are the Tidings" now has words by

an anonymous author, with this meaningful view of the future: "The mossy old graves where the pilgrims sleep shall be open as wide as before..." On this past September 11, this writer stood for the first time at Ellen and James White's simple grave site in Battle Creek. Have you been there? As the brass players play today, can you imagine being there on resurrection day? Can you imagine?

### BACK TO BASICS

The “Back to Basics” Sabbath School class meets at 10 a.m. each Sabbath in the Integrated Marketing building diagonally across from PMC. The class is primarily a discussion class where each person has ample opportunity to share their ideas, opinions and questions. The Bible is

relied upon heavily to interpret itself, and the level of discussion is easy to understand and relevant to our daily lives. Always open to new members, this is a group where good friendships have been and continue to be made. Currently the class is studying the book of Exodus.

and education is down in the dumps”  
(<http://usat.ly/bDLorL>).

The yawning gap between the haves and the have-nots in this nation is widening. And it does *not* bode well for our future. One in 8 Americans is now on food stamps. At some point within last year, 1.6 million men, women and children (including 170,000 families) “experienced homelessness”—a 7% jump from the previous year. Voice of America this week quoted Henry Freedman, director of the National Center for Law and Economic Justice. “Freedman says America’s growing income gap could create a two-tiered society that loses its sense of community. ‘People struggling to get by, struggling to survive on the one hand, susceptible to demagoguery; and people on the other hand who put their resources to be separate from society, safe from society rather than participating fully in society,’ he said” (<http://bit.ly/9lMeR5>).

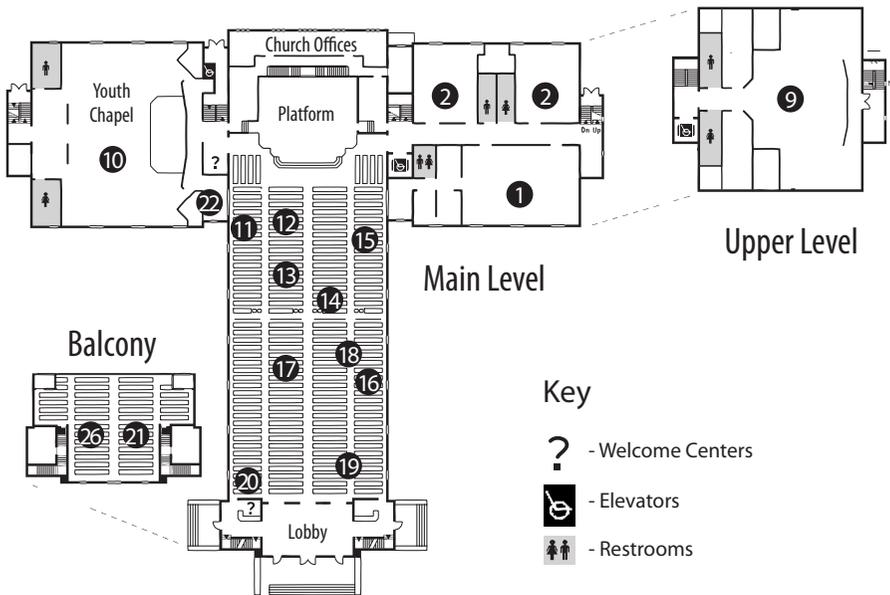

Did you catch that—“a two-tiered society that loses its sense of community”? The wealthy growing more isolated, the poor growing more resentful. The Apostle James predicted just such an economically fractured society before the return of Christ: “Come now, you rich, weep and howl for your miseries that are coming upon you! . . . Indeed the wages of the laborers who mowed your fields, which you kept back by fraud, cry out; and the cries of the reapers have reached the ears of the Lord of Sabaoth. You have lived on the earth in pleasure and luxury; you

have fattened your hearts as in a day of slaughter.” And then to his impoverished readers, James appeals: “You must be patient. And take courage, for the coming of the Lord is near” (James 5:1, 4, 5 NKJV; 7 NLT).

Will our politicians deliver us from this social fracture? Hardly. They have just spent a record-setting \$2 billion campaigning for next week’s election. How then will economic disparity be confronted? I’m not a prophet—but I read the prophets. Watch the labor movement globally. What France has experienced these past two weeks (and Greece earlier)—pent up rage by the lower class—can happen here, too. A century ago this prediction was made: “The trade unions will be the cause of the most terrible violence that has ever been seen among human beings” (Letter 99, 1904).

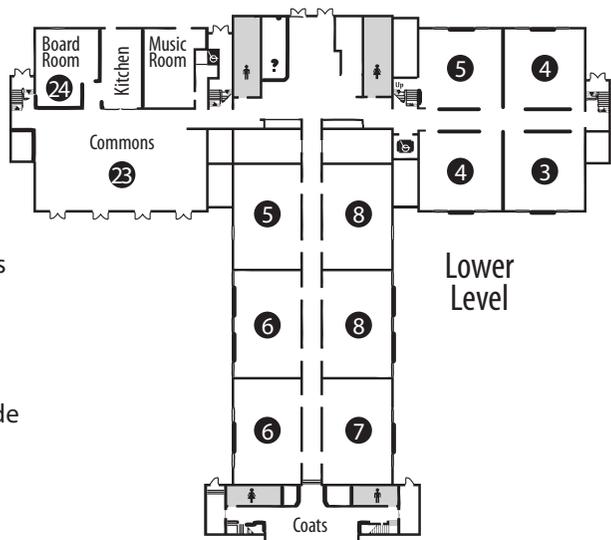

What shall we do? Let the church of Christ rise up with the compassion of her Lord and reach out to the disenfranchised and economically marginalized. Benton Harbor is 12 miles away. Our fledgling Harbor of Hope congregation desperately needs volunteers. Call Pastor Walter (849.9089). It isn’t new Porches that our world is dying for want of. It is men and women possessed with Jesus’ passion and brave enough to attempt to make a difference. *Before* he returns. *Until* he returns.

## HOUSE OF PRAYER

---

WEDNESDAY @ 7 PM, SANCTUARY

Wouldn't it be nice if the Bible came with pictures? The apostle John tells us in John 1:18 that no one has ever seen God. But He has revealed Himself in His Word, Jesus Christ, and in His revelation, the Bible, which is full of rich word pictures of God. A God who is working behind the scenes, so to speak, of our common existence. At HOP we are going to take a new look at glimpses of the Divine reality, snapshots that some people had the opportunity to see for themselves and record for our benefit. Co-curricular credit for university students.
