### GIANT JESUS

**J**esus just grew bigger! Ever since last Saturday the small Polish town of Swiebodzin has been high-fiving in celebration, believing they have just created the largest Jesus in the world. It's been the life dream of their 78 year old local priest, Sylwester Zawadaki, to craft the world's largest Jesus statue. And it looks like he just succeeded. When the crane lowered the golden-crowned statue head onto the granite body last weekend, the priest announced that his new "Christ the King" statue measures 108 feet or 33 meters, "one meter for every year that Jesus lived." Some members of the construction team, however, said that if the mound upon which the statue towers and the crown atop the head are included, it rises 51 meters (167 feet).

### Christine Vetne-

*This is what I have been longing for all these years. When I became a committed Christian in high school and read about Ellen White and the early Adventist pioneers, I wanted a similar experience with God and with the church. But although I stayed close to God, I did not feel the powerful presence of God on a day to day basis, but instead sporadic encounters with Him. Then early this semester I bought two books by Ellen White, Power of Prayer and Prayer. Little by little as I tried to implement these prayer principles into my life, I encountered a powerful change. Sins that I had*

*been struggling with for years lost their hold, and I felt God's presence and direction more intimately. To my greatest delight I also found out about a daily prayer room that was starting up in the library. I went and there I found a community of brothers and sisters who pray openheartedly to God, with firm faith and conviction that these prayers will be answered. This is like the early days of our history. I enjoy every moment. Let us again become a people of prayer.*

PMC // ANNUAL THANKSGIVING COLLECTION

NOVEMBER 20, 2010 // *BOTH SERVICES*

Church members are invited to collaborate with the Evergreen Pathfinder Club by bringing food items or monetary gifts, which will help defray the cost of items purchased for distribution, to the annual collection next Sabbath. Families receiving food baskets next week will also receive a letter entitling them to an additional complimentary bag of perishable food items from Apple Valley Market.

Non-perishable food items will be collected from the community on Sunday, November 14 by the Evergreen Pathfinders to add to the Sabbath donations. In the past as many as 175 families have been aided by this ministry in a single year. Great need is anticipated again this year. Thank you, in advance, for your support!

## **NAMES OF FAMILIES IN NEED:**

If you are a PMC member and know of a family in need, please call the church office at 471-3133 by Thursday noon, with their name, address, phone number and the number of family members. **Only members of PMC can refer families for baskets.**

## WOMEN IN NURTURE & GROWTH IN THE SPIRIT

*“Prayer is the breath of the soul. It is the secret of spiritual power. No other means of grace can be substituted and the health of the soul be preserved. Prayer brings the heart into immediate contact with the Wellspring of life, and strengthens the sinew and muscle of the religious experience.”* Heavenly Places, p. 249

Join a ministry that is significant by praying for each PMC woman during the week of her birthday and sending a birthday note to her letting her know that she is special.

This is a ministry that can be practiced alone at home or together with others. Once a month we get together to send notes to the women who are being prayed for that month.

The more women who participate, the greater our opportunity to expand the prayer coverage to the men in our congregation and into the community outside of PMC. Just think of the joy in heaven if every woman in PMC said “yes”, not to mention the abundance of blessings in our church and community due to our answered prayers. Please ask

God if this is a ministry to which He is calling you.

If so, fill out the requested information below, tear off the information and place it in the offering plate, or contact Cynthia Burrill at [cynthia-burrill77@aol.com](mailto:cynthia-burrill77@aol.com) or by phone at 269-473-3738.

### THE REWARDS:

- The privilege of ministering to the needs of others through the power of prayer
- The opportunity to gain a closer friendship with God through intercessory prayer
- The privilege of witnessing God’s answers to prayer
- The joy of fellowship with others in prayer
- Connecting and making new friendships with other women in the church

## MPE \ CONTAGIOUS ADVENTIST SEMINAR

While PMC has been emphasizing different programs and ministries in 2010, the Contagious Adventist Seminar has not been forgotten. In October we were working on the logo and design format for all of the seminar materials. In November/December the video vignettes will be filmed in Texas to complete the seminar materials. It should be packaged and ready for churches to use by early next year.

In the fall of 2011 the North American Division is sponsoring another major, four-week NET evangelism event. It will be hosted in Nashville, TN and uplinked to churches across the division. PMC will participate in

this event. A major resource that the NAD is recommending that churches use to prepare their congregations for the NET 2011 meetings will be the Contagious Adventist Seminar. All of PMC's hard work over the years in the development of this seminar will now benefit churches across the nation.

Thank you for your continued prayers and financial support to MPE that makes the development and implementation of ministries like the Contagious Adventist Seminar possible.

### PRAY

Pray that God will fill us with His Holy Spirit to overflowing, so full that we will spill over into our community.

## RMES \ ON THE SPOT ANSWERS

Perhaps you've heard about the National Summit on Adventist Education that was held on the campus of La Sierra University. The purpose of the summit was to explore Adventist education's identity and mission; membership involvement; marketing and enrollment; and funding. It was three days packed full of riveting presentations and thought provoking discussions. Educators from around the country took their newly acquired information and headed back to their local schools and churches to share what they had learned.

This summit was a big deal. It should be – Adventist Education is a big deal! Our children are a big deal! Being in a relationship with Christ and living eternally in paradise with Him is a big deal!

Studies show again and again that sending our children to Adventist schools significantly increases their chances of being committed to Christ as adults. Isn't that our biggest desire for our children?

Your gift to Line 3, Adventist Education, helps RMES to continue to give the gift of Adventist education to our children. Thank you!

### PRAY

Pray that leaders in Christian education will be inspired by the Holy Spirit as they plan for our schools.

## PATHFINDERS \ FAITH BASKETS

At this time of year, when the leaves fall and there is a chill in the air, PMC Pathfinders are busy preparing Thanksgiving faith baskets. The results are always amazing, and a blessing to so many people in our community – both to those who give and to those who receive.

Pathfinders, armed with brown grocery bags, go into neighborhoods, leaving a bag on the doorstep of every home. Each bag has an attached note inviting the recipient to fill the bag with non-perishable food items that

will be collected the following week.

One parent who has volunteered for the last several years as a driver for this Pathfinder adventure said, "It is always refreshing to see the enthusiasm of these kids as they practice their faith in such a meaningful way. Their cheerful attitudes help the community see that Jesus is a giving and loving God."

This year PMC Evergreen Pathfinders distributed 1,200-1,500 bags. This effort, in conjunction with the annual PMC Thanksgiving Sabbath offerings of food and funds, will enable them to give out 100-200 food baskets to local families in need.

If you would like to give food to this project and did not receive a bag, please pick one up today at the Welcome Center and deliver back to the church on Sabbath, November 20th, or call Kathy Capps at 574-532-1757 to schedule a pick up at your house.

### PRAY

Pray that God's Spirit of love and hope will accompany every basket of food that is delivered to area families.

By contrast Rio de Janeiro's famed Christ the Redeemer statue stands 125 feet tall. So villagers are already counting the profits that will surely accrue once tourists begin pilgrimages to this giant Jesus.

A century ago the life ministry of a little 5' 2" tall woman revealed that the Jesus in her heart stood very tall indeed. Through the years as I've read this woman's writings, I have collected some of her "very tall Jesus" statements. Here's one: "... were thousands of the most gifted men to devote their whole time to setting forth Jesus always before us, studying how they might portray his matchless charms, they would never exhaust the subject" (*Review and Herald* June 3, 1890).

Here's another: "O precious, loving, long-suffering, long-forbearing Jesus, how my soul adores Thee! That a poor, unworthy, sin-polluted soul can stand before the Holy God, complete in the righteousness of our Substitute and Surety! Wonder, O Heavens, and be astonished, O earth, that fallen man is the object of His infinite love and delight" (Letter 2, December 29, 1889).

And another: "I love to speak of Jesus and his matchless love. I have not one doubt of the love of God. I

know that he is able to save to the uttermost all that come unto him. His precious love is a reality to me, and the doubts expressed by those who know not the Lord Jesus Christ, have no effect upon me. . . . Do you

believe that Jesus is your Saviour, and that he has manifested his love for you in giving his precious life for your salvation? Take Jesus as your personal Saviour. Come to him just as you are; give yourself to him; grasp his promise by living faith, and he will be to you all that you desire" (*Review and Herald* June 23, 1896).

No question the Jesus of Ellen White was a towering Savior. That's why at this website we've been carefully examining the gift of Christ through the life ministry of this woman. Why not examine the evidence for yourself—download the five podcasts/video-casts—call our toll free number (877 HIS WILL) and order a free copy of her best-selling and most translated classic, *Steps to Christ* (the little book that reintroduced me to my Savior at a crisis point in my young life—I'm certain it will bless you, too). Because you don't have to go to Poland to meet the towering Jesus. If you want him, your door is large enough to let him in.

## CALL TO WORSHIP

---

In the beginning was the Word, and the Word was with God, and the Word was God.

**In him was life and the life was the light of all.**

The light shines in the darkness and the darkness has not overcome it.

**The true light that enlightens everyone was coming into the world.**

He came to his own home and his own people did not receive him:

**But to all who received him, who believed in his name, he has given power to become children of God.**

## THE WORD

II TIMOTHY 3:14-17 NLT

---

But you must remain faithful to the things you have been taught. You know they are true, for you know you can trust those who taught you.

**You have been taught the holy Scriptures from childhood, and they have given you the wisdom to receive the salvation that comes by trusting in Christ Jesus.**

All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right.

**God uses it to prepare and equip his people to do every good work.**

### THE GOOD SHEPHERD LEADS

Shepherd motifs have fascinated composers and artists over many centuries. Composers of sacred music have long captured something of the essence of the shepherd, in life, music, or habitat. Indeed, And Scripture seems to hold no figure of speech more endearing of God to His creatures than that of the loving Good Shepherd caring for His sheep—leading and protecting, reproving and saving. Strikingly, Sharon Elery

Rogers combines the motif of God as King with that of God as Shepherd in today's opening voluntary, her setting of "The King of Love My Shepherd Is," hymn no. 197. And Searle Wright sets the wellknown melody associated with "The Lord's My Shepherd," hymn no. 546, in today's offertory. All the while, our Good Shepherd window (back of the balcony) oversees today's worship journey.

## HOUSE OF PRAYER

---

WEDNESDAY @ 7 PM, SANCTUARY

Wouldn't it be nice if the Bible came with pictures? The apostle John tells us in John 1:18 that no one has ever seen God. But He has revealed Himself in His Word, Jesus Christ, and in His revelation, the Bible, which is full of rich word pictures of God. A God who is working behind the scenes, so to speak, of our common existence. At HOP we are taking a new look at glimpses of the Divine reality, snapshots that some people had the opportunity to see for themselves and record for our benefit. Co-curricular credit for university students.
