The law code—don’t sleep with another person’s spouse, don’t take someone’s life, don’t take what isn’t yours, don’t always be wanting what you don’t have, and any other ‘don’t’ you can think of—finally adds up to this: Love other people as well as you do yourself. You can’t go wrong when you love others. When you add up everything in the law code, the sum total is _____.”

“With That Moon Language”

Admit something:
Everyone you see, you say to them,
“Love me.”
Of course you do not do this out loud;
Otherwise,
Someone would call the cops.
Still though, think about this,
This great pull in us to connect.
Why not become the one
Who lives with a full moon in each eye
That is always saying
With that sweet moon
Language
What every other eye in this world
Is dying to
Hear.

—Hafez
