OUR MISSION

"Being transformed by Jesus, our mission is to make disciples who share His life-changing message of salvation, hope, and final warning with the world."

OUR SEVEN-STEP STRATEGY

Pray continuously for and receive the filling of the Spirit.

Interact with individuals in our campuses, community, and world.

Offer Christ to them.

Nurture them to baptism.

Engage new members with current members.

Empower them with the characteristics of genuine discipleship.

Replicate through church planting and local church growth.
