RENOVATE UPDATE

The sanctuary smells differently. There is a lingering scent of a well-worn aged building, reminiscent from a storied past. But NEW is in the air! Bursts of sawdust from trim work, redolent adhesive from the recently laid tiles, and wood stain with each brush stroke permeate the air. The smell is significant—"For we are a fragrance of Christ to God among those who are being saved and among those who are perishing." 2 Cor. 2:15
