THE CORONAVIRUS AND LOVE ON THE MOVE

Have you been able to figure out this coronavirus contagion? I am no epidemiologist; but, if you listen to the news, you get the impression this viral epidemic is in rapid spread mode. It is at least in the coronavirus epicenter in China—where new ten-day hospitals are springing up—that's right a 1000-bed hospital in ten days. . . .

ADVENTURERS

With over 110 children, Pioneer has one of the largest Adventurer Clubs in the North American Division. Ranging from age 4 through grade 4, they meet together twice a month to learn more about God, the world, their families, and themselves. An annual campout, family fun night, pool day, and the Children's Celebration of Christmas are all part of the club's activities. Parents and other interested adults are always welcome to help guide and nurture the children. Visit pmchurch.org/volunteer to get involved!

Thank You!

To our Church family: We want to thank you for all your love and support which you gave to us during the time of Virgil's illness and passing. We thank you for the cards, visits, phone calls, food, flowers, and the pastors' visits. We could not have asked for more. —The Family of Virgil Tackett

Stewardship: Faithfulness in All Things

"Let us hold unwaveringly to the hope we profess, for he who promised is faithful." Heb 10:23. One of the foundations of faithfulness is hope. To paraphrase Paul, "As long as hope exists, faithfulness in all things has meaning." To our eternal joy, our hope is bound up not in *our* faithfulness, but in *God's* faithfulness! God's unchanging, undiminished-by-the-years faithfulness to us is our hope and the reason for our own "Faithfulness in All Things."
