Foster Family Gift Baskets

This summer, Pioneer Grow Groups are leading a service project to put together a gift basket for each active foster family in Berrien County (about 60 total). These families are meeting a very special need in our community, and Pioneer wants to support them in their love on the move.

Each basket will have a summer theme. We plan to include a book, snack items, toys, and activities that will appeal to the whole family, information about Pioneer's Grow Groups and Children and Family Discipleship programs, our Preschool Play & Play events, and more!

Do you want to be love on the move for our county foster families? The information you need is here: Foster Baskets for Berrien County, where you'll have the option to volunteer your time to come and assemble baskets, deliver baskets, or hand out baskets to families who choose to come to us.
