Love on the Move Opportunity

Berrien County Department of Health and Human Services Director, Emersond Jean-Baptiste, has a challenge to every church in Berrien County to find ways to be a cornerstone in impacting the lives of children and families. There are 60 foster homes in our county and over 200 kids in foster care. This is a great opportunity to make a "Love on the Move" difference in the life of a child. Reach out to me and together with Emersond we can discuss ways to do exactly that. For more information contact Carol Jordan at godshands4kids@gmail.com.

Homebound Ministry Reaching Out

Pioneer's Homebound Ministry is looking for names and contact information of people who are homebound and in need of some personalized attention. Text your information to 262.825.3632.
