PIONEER FAMILY

Fellowship Dinner

There is no fellowship dinner scheduled for January 7. Dinners will resume on January 14.

Pioneer Reception Is Moving!

Thanks to our exciting elevator project, Pioneer will temporarily relocate its Reception to the Lower Level Welcome Center as of Monday, January 9, 2023. You may visit the Lower Level Welcome Center by using the internal stairs via the main Awning Entrance or by using the external stairs adjacent to the Awning Entrance. Heidi Ha will continue to provide you with excellent service with key & card access, Sabbath School resources, volunteer engagement, facilities use, and much more. Contact phone numbers will remain the same—269.471.3133 and 269.471.6565. We apologize for any inconvenience and thank you for your patience as we collaborate on the exciting and much-anticipated elevator project.

Volunteers for Weight-Loss Program

This January our Health and Wellness Ministry will launch a weight management program for the church and community called Best Weigh. It's a proven system that combines spiritual principles with nutrition and weight management. It will be led by Dr. Ken Kelln. We're looking for up to 20 volunteers who can serve as greeters, weigh-in helpers, A/V, parking help, and more. To get more information or to register as a volunteer, text the word "HEALTH" to 269.281.2345 or you can call 801.513.8809.

Pioneer Piloting Alive in Jesus Children's Sabbath School Curriculum

We are excited to be one of 80 churches around the globe piloting the new Alive in Jesus Sabbath School curriculum for the first quarter of 2023.

Our Kindergarten 5-6 Year, Primary Grade 3, and Junior Grade 5 Sabbath Schools are leading our pilot, fully implementing, with parents and our volunteer teams providing research feedback. The Gracelink curriculum, developed 25+ years ago, will be replaced with new lessons for 0 to 18 years olds by 2025. The Alive in Jesus Curriculum is being developed to better assist families in discipling kids in this 21st century to deeply love and fully live for Jesus. We invite members to pray for our parents and volunteers as they reflect on this pilot experience to provide rich data to improve the lessons for global use. Feel free to watch an introductory video and explore the online materials at <https://pilot.aliveinjesus.info/>, or come visit or volunteer in a Sabbath School this quarter.
