Update #7 for Renovate 2.0

The Project: The elevator arrived this week! The installation process will take about two weeks with other final details. The state elevator inspection is expected to take another 2-3 weeks after that. The glass wall will be installed, and the project will be done!

Fundraising: As of 7/08/23, there is \$709,864 that has been raised with \$290,136 to reach our goal! **-We are so close!** Please join with others to finish this wonderful addition! Remember Renovate 2.0 in your giving plans and pray for its completion!

Pray-ers Needed

Each Sabbath morning at both services, people gather in "The Prayer Room" to pray for the church service, the participants, the congregants, and for the prayer requests submitted each week on the Connect Cards. We are in need of more volunteers for both services. You can set your own schedule—once a month, two months a year, whatever works best for you! If you have a heart to pray for others or are simply looking for more information, please contact Deb Montcalm at greengables75@yahoo.com.

Offering for July 22, 2023

MICHIGAN ADVANCE PARTNERS

The congregation in Big Rapids knew their church roof needed to be replaced but had no idea how to pay for it. Buckets had to be placed in the hallway when it rained in order to catch the water coming in—and each time it rained, there was potential for further damage to walls and floors. Estimates for having the roof replaced came to over \$20,000! For a small group of 20-30 people, it looked as if the church would have to go into debt to pay for the necessary roof replacement. With many prayers for guidance and asking God to provide the necessary funds, the Big Rapids church submitted an application to MAP requesting financial assistance to repair the church roof. The news that MAP would be able to pay approximately half the cost of the repairs brought great relief to the congregation. When available local funds were combined with the money donated by MAP, the church was able to pay for the needed repairs without incurring any debt! The members in Big Rapids are worshipping again with no worry for the rain or snow—and with gratitude for God's provision through Michigan Advance Partners.
