PIONEER OPERATING BUDGET

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver" (2 Cor. 9:7). The one thing that stands out in this Bible verse is that it doesn't give us an option NOT to give. The issue is how much have you decided to give? Zacchaeus gave 50% of his wealth. The poor widow gave 100% of what she had—two copper coins. We find three biblical principles of giving in this passage. First, you need to decide how much you are going to give. We need to plan in advance what we are going to give to God. Second, don't give reluctantly or under compulsion. The opposite of a cheerful giver is a sad and ornery giver. God doesn't want you to give because you are being pressured to give. Third, God loves a cheerful giver. God wants you to give from the heart, willingly and cheerfully. Today, I encourage you to provide for your local church expense and give, not reluctantly but cheerfully.
