Update #9 for Renovate 2.0

Have you tried the new elevator yet? It is complete and the glass door is installed. Many seniors and others with a need for transportation between floors are now able to reach the sanctuary and the lower level. What a blessing! Will you help us reach the goal of having it fully paid for by December of this year? We are over ¾ of the way there. See our temperature gauge in the lobby to see the weekly progress. We can make this happen! Please help pray for the completion of our Fundraising goal. As of 9/23/23, there is \$770,105 that has been raised with \$229,895 to reach our goal!

Something in Common SS

SABBATH MORNINGS 10:30 AM • RM 141

Me and My Big Mouth series by Andy Stanley Ever said something you wish you could take back? Even if what you said was true, those words may have cost you a job, a reputation, or even a relationship. In all our conversations, what if we didn't aim to be right, but tried to make things right instead?
