Adopt-a-Student

Winter is coming and for many of our students, these are the hardest months to get through without their families. You can help create a home away from home by joining our Belong Ministries Adopt-a-Student program. You'll build meaningful connections by hosting the student for a home-cooked meal, surprising them with their favorite treats, and reminding them that they've been prayed for. The time commitment is at your discretion. If interested in joining this program, please scan the BELONG QR code in the bulletin.
