Renovate 2.0 Elevator Goal

"An House of Prayer for All People" is embedded in the very substance of the Pioneer Memorial Church building. Yet for decades, important functions of the church congregation did not fit in the original church structure. The massive expansion in the late 1990's that added the "wings" to the church more-than-doubled the space available for ministry and finally brought all functions such as the older Children's Sabbath Schools and a Commons area into one facility. There was still one significant issue that was not fully addressed- access to the Sanctuary for those with limited mobility. The wheelchair lift that was a part of the "wings" expansion soon proved to be significantly hindering and unreliable. Unfortunately, it would take 25 years or so before a full-size elevator and other minor improvements became a reality. Pastor Dwight Nelson, in the spring of 2023, encouraged the Pioneer Memorial Church board to initiate the construction and fundraise for a full-size elevator also called Renovate 2.0. The Board agreed. That elevator is now completed and its funding nearly so! It is a blessing for so many. As you consider your giving plans for this year, please include the Renovate 2.0 project. We are so close to the goal! Let's finish Renovate 2.0 soon! Thank you in advance for your support!

Grow Groups Leaders Wanted

Our next Season of Grow Groups is coming soon. If you have an idea for a small group we'd love to support your ministry. We are looking for activity, study, food, and fun groups. These are great ways to experience church outside of our church service. If you are interested please fill out the form here: pmchurch.org/ministries/growgroups/register

Join the Media Team

The Pioneer Media Team is a way to use or learn skills in the area of technology while serving your local church. Most volunteers help out 1-2 Sabbaths per month for both 8:00 AM & 11:45 AM worship service, but you can volunteer more often if you like. To learn more about being involved, please sign up here: pmchurch.org/mediateam.
