"Did God Create Viruses?"

TODAY • 3:30 PM

GARBER AUDITORIUM, CHAN SHUN HALL

Michiana Adventist Forum and the Department of Biology will sponsor a talk by Dr. James Hayward, professor emeritus of biology. The COVID-19 pandemic brought viruses front and center to the stage

of human consciousness. Yet a great deal of misunderstanding remains about these biological entities. What are viruses? How do they reproduce and how are they transmitted? Did God create viruses? These are some of the questions to be addressed in this presentation.
