Healing The Mind by Timothy R. Jennings, MD
Have you ever been hurt, lonely, depressed, frightened and hopeless? Or maybe you have found yourself feeling helpless, that gut wrenching helplessness when someone you care about is hurting, distressed and on the verge of giving up and you don't know how to help them. Did you wish you had something to give them, something that would help? Healing the Mind is

six of Dr. Jennings' most important lectures, recorded live during a 2-day seminar. The material is based on his book, "Could It Be This Simple".

June 22 – "The Mind: God's Design. What Went Wrong?"

June 29 – "God's Principle: The Law of Love and Liberty"
