WELCOMING ALL SEASONS: PIPING + PAVING CAMPAIGN

The Pioneer Memorial Church building is 66 years old. For one set of very important hidden utilities, the heat and cooling pipes, an urgent change is required. The heating and cooling pipes have corroded to the point of catastrophic failure which would lead to water damage to the entire basement of the church and its contents.

In addition, the church parking lot has deteriorated to the point of being hazardous.

The Pioneer Church Board voted to replace the pipes and repave the parking lot this spring. The work on the pipes has begun which is why we are meeting at the Howard Performing Arts Center and the Andreasen Center for Wellness. The combined cost of the two projects is \$925,000 with the majority of that amount going towards the pipes restoration.

Please consider how you might join with other members of Pioneer Memorial Church to support these two important restoration projects.

Let us together keep Pioneer a welcoming place in every season.
