## WELCOMING ALL SEASONS

*pipng + paving campaign*

Pioneer Memorial Church aims to be a welcoming place for everyone, cool in summer and warm in winter. The aging pipes, which have served for 60 years, are now leaking due to temperature stress. It's time for an essential update! We invite you to contribute to this important, mostly unseen renovation. Look for the physical "Welcoming All Seasons" banner to track our campaign's progress. Thank you!

## With This in Mind . . .

Depression is a mental health disorder marked by persistent sadness, hopelessness, and a lack of interest in daily activities. It affects thinking, feeling, and functioning, often accompanied by physical symptoms like fatigue and changes in sleep and appetite. It's important to recognize that depression is a medical condition, not a personal weakness, and it often requires therapy, lifestyle changes, and sometimes medication for effective treatment. Remember, God is with you—talk to Him for support (See Psalm 34:17-18 & Deut. 31:8).
