With This In Mind . . .

Loss is painful and a part of life. The AU family has experienced recent losses, affecting many. Grief can lead to changes in appetite, sleep, mood, or focus—these are normal. Be gentle with yourself and others. Healing takes time, and support is available. Staying connected is important. For support, call 269.471.3470. Remember, "Blessed are those who mourn, for they shall be comforted" (Matt. 5:4).
