With This in Mind . . .

Forgiveness is central to Christianity and benefits both mind and body. Studies show it eases emotional tension and stress. Dr. Karen Swartz of Johns Hopkins explains that anger raises heart rate and blood pressure, while forgiveness brings calm and reduces depression and anxiety. As Scripture says, "Judge not, and you will not be judged... forgive, and you will be forgiven" (Luke 6:37). Choose forgiveness and find peace.

Honduras Mission Update

Our 20-person Youth Mission Team sang, camped, taught, and prayed. They hosted a camp for 60 children, built a two-car garage, led 19 worships, set up a security system, and provided food for 60 families. Thank you for your support of Pioneer Youth Missions.

BELONG Ministries Thanks You

Thank you to everyone who made Angel Tree possible this Christmas. Your generosity brought joy to many of our students and their families. Special thanks to the Lake Union for its generous support and partnership. We appreciate your ongoing commitment to Belong Ministries and for supporting our students at Andrews University.

Prayer Meetings

Join us for a joint prayer experience with the Center for Faith Engagement and Pioneer Memorial Church. We'll meet Monday (January 26), Tuesday (January 27), and Thursday (January 29) at 7:00 PM in the Sanctuary for a relaxed and meaningful time of prayer. There will be space for personal prayer, praying together, and partner prayer, all centered on welcoming the Holy Spirit. Come as you are, bring your needs, and share in prayer with others.
