PASSION PLAY

Join us April 4 for the Passion Play at Andrews University—a community retelling of Christ's final days. Volunteers of all ages are needed to act, help with costumes, greet guests, assist with hospitality, manage logistics, take photos, and more. Bring your group to join the crowd or participate as a Roman guard. Sign up using the QR code below to be part of this campus-wide event!

PIONEER FAMILY

Fellowship Dinner

There will not be a fellowship dinner this Sabbath.

Introducing Parent Circle

Parent Circle is a new discipleship space where parents of kids ages 4-12 connect, study the Bible, and grow together while their children are in Sabbath School. The resource area features a lending library, as well as support for completing youth and children's ministry certifications. Join us on any Sabbath, anytime from 10:30-11:30 AM.

Undivided: Identity in a Divided World

TODAY • 3:00-5:00 PM

NEWBOLD AUDITORIUM, BULLER HALL

You are invited to "Undivided: Identity in a Divided World," an Integrity Summit hosted by the Andrews Ministerial Association and the Religion Department at Andrews University. Join experts from diverse fields as we explore God's design for identity and sexuality and consider what it means to offer our undivided hearts to God.

Cancelled: Wind Symphony Winter Concert

Due to the winter weather and unsafe road conditions, the Wind Symphony has not been able to hold adequate rehearsals in preparation for the upcoming winter concert. As a result, the winter concert, "A British Winter's Night," is cancelled. We hope you will join us for our next event, "Sing Praise! Vespers Concert" on March 6 at 7:30 PM at the Howard Performing Arts Center.

With This in Mind . . .

The lack of sleep is not something to brag about. It certainly is not an indicator of being more dedicated. Adequate sleep is needed to help with concentration, decision-making,

remembering as well as problem solving. The Journal of Occupational Environmental Medicine (Williamson & Feyer, 2000) published that after 17-19 hours without sleep, participants were as alert as someone with a 0.005 blood alcohol level. With a longer gap, the more at risk an individual becomes, and perhaps should not even be driving! Be temperate in all things (1 Cor. 9:25). Prioritize and get sufficient sleep.

Something in Common
