With This In Mind . . .

Practicing gratitude releases serotonin and dopamine, boosting mood and motivation. Noticing what's going well takes intention, but gets easier with practice. Gratitude improves sleep, heart and emotional health, longevity, and relationships. Scripture reminds us: "Oh give thanks to the Lord, for he is good; for his steadfast love endures forever!" (1 Chronicles 16:34). Start today by naming what you're grateful for. Today, I am grateful for hope.

Church Directory Photos

APRIL 11 & 18

A photo station will be available in the Narthex/Lobby area. We kindly ask that you avoid wearing solid white or black clothing, if possible. Photos are intended for families and groups, but individuals are also invited to participate. Our goal is for everyone to feel welcome and comfortable. Photo sessions will be held on April 11 and 18. Pictures will be taken during Sabbath School and after the second service.
