

An hourglass is positioned on the right side of the image, set against a blurred background of a sunset or sunrise. The hourglass is dark, and the sand inside is also dark, creating a silhouette effect. The background shows a gradient of colors from light yellow at the top to dark blue at the bottom, with a bright orange glow in the middle. The hourglass is framed by a dark, possibly black, structure.

## Fundraising Progress Continues!

The faithful giving of members of Pioneer Memorial Church continues to progress steadily toward the completion of our Pipes and Paving goal. We have met and exceeded the goal set by Pastor Hans for the 2025-26 fiscal year! Outstanding! Thank you so much! We have achieved 60% of our target in less than 50% of our total two-year timeline. Wow! If you have never given to these two important projects, please consider adding this to your charitable giving plan. Let's make Pioneer a Welcoming Place For All Seasons... for decades to come!
